Gypsum (g/m <sup>2</sup> )						
Trace elements:						

**Agent ID:**

**Special instructions:**

**Testing Requirements:**

**NB.** Garden soil tests are presented in a range of three report versions, each with three plant types. You should choose one version and (if necessary) you can ask for one specific plant (eg. Roses). If you want more than one of the report versions or more than one specific plant, then you will need additional reports. **(Additional reports \$10 ea.)**

For more information read **Garden Fact Sheet #1** at: [www.swep.com.au/pages/facts/facts.html](http://www.swep.com.au/pages/facts/facts.html)

Sample Name	Report version <i>(vegetable, fruit, &amp;/or ornamental)</i>	Area (m <sup>2</sup> )	Sample depth	Amount
