Quarantine Sample

Testing Requirements:

NB. Garden soil tests are presented in a range of three report versions, each with three plant types. You should choose one version and (if necessary) you can ask for one specific plant (eg. Roses). If you want more than one of the report versions or more than one specific plant, then you will need additional reports. (**Additional reports \$10 ea.**)

For more information read **Garden Fact Sheet #1** at: www.swep.com.au/pages/facts/facts.html

Sample Name	Report version (vegetable, fruit, & ornamental)	Area (m ²)	Sample depth	Amount
1:				\$
Additional report versions &/or specific plants:				
Options:				\$
2:				\$

Directions on sending Garden soils samples from Overseas

- **Collect your samples according to instructions below**, and then place 300g of mixed soil in sealable plastic bags.
- **Complete all details on soil information sheet** with as much information you can provide regarding your soil sample.
- **Include payment in Australian dollars** with your sample. We accept payment by credit card or online at www.swep.com.au. Samples submitted without payment will not be processed until payment has been received.
- **Pack samples** along with the information form and payment, in a sturdy well-sealed box **and address to:**
- **Clearly mark our Quarantined details** (below) on the outside of the box.

SWEP Analytical Laboratories
45-47/174 Bridge Rd, Keysborough,
Victoria, Australia 3174

Quarantine Details:

The following details **MUST** be written clearly on the outside of the box

Important: Samples sent via any of the express Courier services (eg. DHL, etc.), often incur extra charges from both the Courier and Quarantine. Where these occur, they will be charged back at cost. In general we find the samples sent via **International Air Mail** will arrive just as quickly as those dispatched through courier services.

**Australian Department of Agriculture
Fisheries & Forestry Quarantine Act 1908
Approval under section 46A Category 5.1
Samples for 'In Vitro' use ONLY
Permit No: IP07020924
Valid to: 31 Oct 2009
Approval No: V0774**
